

Version 8 October

Press program for the P4G Summit

Press/media must register for an accreditation to attend the P4G Copenhagen Summit.

Press/media must have been allocated a pool seat as well as an accreditation to access the press pools 1-4. Details about the press pools and size of pools can be found below in the press program.

Other events listed in the press program are open to all press/media that have registered for a general accreditation.

Please read the press program to get key information about practicalities and other restrictions about press/media during the Summit. The press program will be continuously updated.
